

Advanced Brass/Percussion Student Opportunity

In celebration of our 20th Anniversary Season, we are pleased to re-introduce, ***THE PREMIER BRASS BAND*** of Gramercy Brass Band Camp!

This advanced level of participation is designed for GBBC students, who truly want to be challenged to their full potential or highest limits. This top level ensemble is for students in high school and even college students acting as assistants in the program.

This ensemble is available to registered GBBC students, by **audio/video audition**.

The process is fairly simple:

Register for GBBC. Send us an email with your desire to be qualified for the Premier Brass Band, and we will reach you back with more information on the next steps of sending an audition recording. We will send you a few short excerpts of parts from the advanced material we will be working on. The student should work up the material for a few days, and send a recording back to us via email at GBBC@gramercybrass.org.

Please also use this same email to reach us with any questions you may have.

The Premier Brass Band of Gramercy Brass Band Camp has been a rewarding experience in past years for our highest achievers. We hope some of our top students will want accept this challenge.
